Will it show how to guide client's on a successful soul journey?

Yes! We will show you one of the unique methods used specifically by Soul Coaches. A process called a soul journey which is a unique guided interactive visualization meditation that allows one access to broad and profound hidden messages, clarity, peacefulness and empowerment.

You will learn how to...

- Get your client into a deeply relaxed state easily and effortlessly using a kinaesthetic and fractional technique
- Understand how to utilize ancient breath methods for deepening the journey
- Learn seven Hyper-Relaxation techniques
- Learn the five most valuable phrases and specific words to use
- Learn eight powerful resolution techniques
- Discover how your clients can integrate their soul messages into their lives

Will there be a graduation after successfully completing the Soul Coaching Certification?

Each graduate receives a beautiful Soul Coaching® Practitioner graduation certificate (suitable for framing) once all elements of required training are completed. All graduates will be registered with the Soul Coaching® Wisdom Council and invited to join the Soul Coaching® community of Master Teachers, Advanced Soul Coaches, and Certified Soul Coaching® Practitioners via our international e-group and Facebook.
